Date of Birth: ___/___/___ Age: _____ Disability: _____

E-mail: _____ @ _____

Jersey Number: _____ Jersey Size: _____ Varsity Jacket Size: _____

Parents Names (for players): _____

The cost of registration for the NEW SEASON must be done in two parts:

Part 1: Each athlete/coach must log into www.usahockey.com click on Membership and register with them FIRST. The cost is \$43.00, \$40 for USA Hockey and \$3 for NYSAHA (credit card info will be taken at the USA Hockey site.) They will email you a confirmation and a bar code which validates your registration. This is a USA Hockey mandate for insurance purposes. **You must then email/mail a copy to Bryan for our records.**

All "pushers" can register as volunteers, WITH NO FEE, as per USA Hockey. If you are on skates and on ice (not pushers) you must register as a coach. We do, however, need your USAH confirmation when you do register.

Part 2: For LI Sled Hockey, each athlete will remit a check for \$300, \$100 for registration with our program and \$200 for TV raffle tickets, which help offset the cost of our travel. You can remit one check for \$300, made payable to **LI Sled Hockey**, and either give it to Bryan or Anthony, or mail it to LI Sled Hockey at 33 Harding Avenue, Lynbrook, NY, 11563. The raffle ticket purchase is mandatory for each athlete. We will continue to supply sleds, sticks, tournament jerseys, tournament helmets, tournament gloves, throat protectors, as well as equipment bags, practice jerseys, and team jacket to new athletes. We ask that you supply non-tournament helmet, practice gloves, chest protector, elbow pads and shin guards.

TV raffle books to be distributed between June & August. A copy of your USA Hockey registration confirmation and the \$300 payment in full to LI Sled Hockey must be received by September 15th. Those not paid in full will not be allowed on the ice for our first practice, October 3rd, and any subsequent practices, until they are paid in full.

Thank You,

The Board

We are a registered 501(c)(3) not-for-profit organization
